BACECA GUIDELINE FOR EMPLOYEES OF THE CONSTRUCTION SECTOR RESUMING WORKS AFTER THE CONFINEMENT

The Building and Civil Engineering Contractors Association (BACECA), has issued a Guideline for Employees of the Construction Sector who would be resuming work soon after the confinement.

The Guideline highlights a series of measures which need to be implemented to ensure the Safety and Health of employees of the construction sector. The measures proposed is not exhaustive and not applicable in all circumstances. However, it is an interesting and relevant document to the stakeholders of the construction industry and can be particularly useful to many of them.

The Guideline and its Annexes can be consulted at the links below:
