

Communiqué

Extension of Validity of Registration Certificates until 30 September 2020

The CIDB wishes to inform all Local Consultants and Contractors that their Certificates of Registration, which are due to expire on **30 June 2020**, shall be deemed to remain valid until **30 September 2020**.

In this respect, the Construction Industry Development Board (Registration of Consultants and Contractors) Regulations are being amended accordingly.

All Local Consultants and Contractors, wishing to bid for a project or negotiate a contract award and who require documentary evidence of a valid Certificate of Registration, may use this Communiqué to demonstrate that their Registration is still valid. They may also use the signed **Testimonial** which can be downloaded from the link below.
