

CONSTRUCTION INDUSTRY AUTHORITY

POST OF MANAGER TECHNICAL SERVICES (on Contract)

The Construction Industry Authority (CIA) is an apex body of the construction industry, operating under the aegis of the Ministry of National Infrastructure and Community Development. The overriding objectives of CIA are, inter alia, to:

- regulate the construction industry,
- formulate and develop policies and standards for sustainable construction;
- promote the sustainable development of the construction industry;
- promote capacity building in the construction industry;
- promote Alternative Dispute Resolution in the construction industry; and
- provide support to the Micro and SME contractors of the construction industry.

The CIA is inviting applications from highly committed and competent candidates suitable for the post of **Manager Technical Services**, on contract basis for a period of 2 years.

Role & Responsibilities

The Manager Technical Services shall be responsible for providing technical support and advice in line with the objects and functions of the Construction Industry Authority.

Information regarding the qualifications, salary, duties and the detailed scheme of service for the post as well as the Application Form can be obtained below:

1) Terms of Reference [Click Here](#)
