26 November 2024 - 9.00am to 5.00pm

VENUE: Mauritius International Arbitration Centre (MIAC)
Level 1, Coaster Shed A, Port Louis Waterfront
Port Louis, 11320

Contact us at micdm.adr@gmail.com to secure your seat. Conditions applies.

Mascarenhas International Centre for Dispute Management Ltd (MICDM) is a dispute resolution & management center and training institution that creates, manages seminars, conference and training and an arbitration centre. Partnering with regulatory bodies, leading institutions and arbitration centre, it provides various ADR services to the construction industry and organises training and seminar on seminal topics relevant to the local construction landscape.

Have you experienced any of the following :

- Construction claims are a nightmare?
- Preparation and presentations of the claims are daunting tasks?
- Assessment and Determination of Claims are challenging?
- Construction Disputes are not being resolved effectively and efficiently?
- Is Alternative Dispute Resolution (ADR) the most Appropriate Method of Dispute Resolution (APR)?

Then you need to attend the conference on

“NAVIGATING CONSTRUCTION CLAIMS AND DISPUTES (LEGAL AND CONTRACTUAL ISSUES)”

Learning Objectives

- Understand the nuances of construction contracts and their challenges
- Review of case laws from Mauritius and other Jurisdictions in the field of Construction Delays and Disputes
- Best Practices in Tackling Claims and Costs
- Management of Disputes to ensure effective and efficient process
- Practical Approach to Delay and Disruption analysis

SPEAKERS
